c. Frequency of Board Meetings : **Once a month**

Frequency of Academic Advisory Body Meeting : **Twice in a Semester**

d. Organizational Charts and processes

ORGANIZATIONAL CHART AND PROCESS

e. **Involvement of Faculty / Students in Academic Affairs / Improvement:**

1. Faculty : The faculty members are encouraged to pursue higher studies, to upgrade their qualification & skills. They also attend FDP, workshops, conferences & seminars to enrich the knowledge to catch up with the state-of-the-art technologies.

2. Students : The students meet the faculty members and HOD's of the respective departments twice in a month through the students council, which facilitates free exchange of ideas from the students with regard to the improvements and performance.

f. **Mechanism / Norms & Procedure for Good Governance:**

The students are appraised with regard to their performance through a uniquely designed format. This format works by a self evaluation process by the students concerned in which the students make projection of their anticipated performance before a particular examination. The actual performance in the examination is compared with the projection and their deviations are evaluated. This helps the students to address the weak areas and make corresponding improvements. The students are taken care of an internal system, in which a group of 15 students are closely interacted with a staff member who in turn will counsel them in-depth and solve their problems smoothly.

g. **Students Feedback On:**

1. Institutional Governance : The parents are accorded the status of representatives of the students and they can provide the feedback during the parents meet conducted twice in a semester with regard to facilities provided to the students both academic, non-academic and general in nature. The grievances are carefully looked into by the Management with sympathy and resolved with suitable actions / solutions.
2. Faculty Performance : Students are encouraged to express their grievances through a feedback form made for this purpose. This feedback is collected twice in a semester on regular basis. Besides, the students can also directly approaches the principal in case of any of problems are not being met out fruitfully.

h. **Grievance Redressal Mechanism**

1. Students : The Chairman and the Principal meet the students directly once a month and enquire them regarding the faculty performance, infrastructure, placement and training activities and other facilities required. Students at any point of time can meet the Chairman / Correspondent to get solved for any of their problems.
2. Faculty : The Chairman and the Principal meet the faculty once in a month directly and through staff meeting

to redress any grievance that may be brought by the faculty with regard to facilities provided to them and improvements in infrastructure to be established for better teaching methods and techniques.
