ICATS - 2021

About the Conference

ICATS - 2021 will be a melange of eminent speakers, Academicians, Subject experts, policy makers, industry professionals, officials, social activists, etc., to add to the cornucopia of knowledge & skills of all the attendees, particularly the prospective engineers. Discussions in the conference on various imperative topics will add an insight to ponder and confer over crux of today's scientific and technological perk up. Our conference is a scientific rostrum to unveil the novel developments and to cogitate, and conflate ideas and realities through practical experiences. ICATS is an unparagoned and an unmissable opportunity to engross the adaptive technologies bobbing in the modern age. The events of the conference include plenary sessions, paper presentation, poster sessions, pre and post conference tour and exhibition of innovative product from manufacturers in order to promote innovative, cost-effective, Eco-friendly, socially and technically feasible products and practices.
