ACADEMIC YEAR 2016-2017

REPORT ON THE INAUGURATION OF FACULTY REVALIDATION PROGRAMME

ORGANISED BY

FACULTY DEVELOPMENT DEPARTMENT FOR THE YEAR 2016- 17

The inauguration of Faculty Revalidation Programme (FRP) for engineering faculty members with less than two years of experience took place in the afternoon of 21-11-16 at PEC, Smart Hall.

Shri CA.N.V. Natarajan, Chairman, Paavai Institutions, inaugurated the event and highlighted the significance and relevance of FRP. He said "In an ever changing world, **survival of the fittest is the order of the minute**. FRP is a form of **academic audit** which enables the faculty to acquire **academic leadership**. Wherever necessary skill support will be provided to the freshers who in due course should evolve as best teachers to be retained by the institution. When the teachers are competent and they fulfill the educational needs of the learners, the image of the institution will grow and by word of mouth it will increase the ratio of enrollment. The institution is ready to recognize and reward teachers who excel in their profession. Therefore, the faculty members who are appearing for FRP are advised to be earnest in their endeavour".

Thirumathy Mangai Natarajan, Correspondent, Paavai Institutions felicitated the gathering and pointed out that a faculty needs to

- realize his/her identity and redefine the role
- form an able team of subject experts.
- explore the fundamentals.
- internalize the essence of all units.
- look at a thing from different angle.
- apply creativity.
- use Moodle and web resources to the maximum.
- interact with peers and exhibit the desire to learn and grow.
- upload short presentations and videos on the website.
- be student centric.
- understand the needs of students and teach according to their receptivity.
- follow tracking system in order to ensure adequacy of time, attention and focus.
- introduce the technical terms, literal and technical meaning, and the underlying formulae.
- concentrate on the knowledge and application aspects.
- ensure fluency and accuracy in communication.
- establish clarity of thought and sincerity in preparation,
- develop a desirable attitude.
