

PAAVAI ENGINEERING COLLEGE (Autonomous)

Department Of Chemical Engineering

TECHFINIX'19- 2.0

Paper Presentation

- An Abstract of between 200-300 words (plus between 2-5 references to support the evidence -base of the abstract content).
- The team have maximum of two members.
- Selected participants should bring 1 hard copies of their paper & softcopy of presentation in power point format.
- The team have Six minutes for presentation and two minutes for queries.

Poster Presentation

- An Abstract of between 200-300 words (plus between 2-5 references to support the evidence -base of the abstract content).
- The title should be as brief as possible but long enough to indicate clearly the nature of the study. Capitalise the first letter of each word (except conjunctions). No full stop at the end.
- The team have maximum two members.
- Presentation should be completed within the time(8+2)

Chem-O-Philia

- Maximum two members in a team.
- The preliminary round will be conducted, the selected participants will allowed to next rounds. the rounds will be technical and non-technical.

Chem-Freeze

- This is an event to calculate problem solving skill during an emergency situations.
- Student will be given various chemical crisis and will be evaluating the conditional response.
- There will be four stages and each student have respected time to think about the situation.

Connexion

- Maximum two members in a team.
- The preliminary round will be conducted, the selected participants will allowed to next rounds.
- The event is related to chemical engineering knowledge and some current affairs are in pictorial represent

Merry-Blast

- The event consists of non-technical rounds like mime game, dumb-charades and some fun games.
