(AUTONOMOUS)
REPORT FOR ACADEMIC AUDIT

Academic Year: 2015-2016 - EVEN SEMESTER

Date: 30.05.2016

The academic audit is carried out in all departments and the consolidate report is given below

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
1. Improve innovative practices
2. Study materials to be given
3. Problems to be demonstrated
4. Assignments missing in course file
5. Seminars can be given
6. Additional programs to be given in lab sessions
7. More number of journals to be published
8. Improve the numbers of FDPs attended by faculty

DEPARTMENT OF CIVIL ENGINEERING
1. Improve Industrial oriented projects
2. Assignments can be given
3. Improve virtual lab session
4. More study materials and problems to be given
5. Laboratory up gradation may be needed
6. More number of journals to be published
7. Number of Alumni participants to be increased
8. Improve the numbers of FDPs attended by faculty
9. IPRs and Patents to be published
10. Industry collaborations shall be improved

DEPARTMENT OF INFORMATION TECHNOLOGY
1. More problems to be solved
2. Assignments missing in course file
3. Additional programs to be given in lab sessions
4. Improve the numbers of FDPs attended by faculty
5. Number of Alumni participants to be increased
6. Industry collaborations shall be improved

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING
1. Give more assignment
2. Give case study material
3. Improve innovative practices
4. Add seminar topics content
5. IPRs and Patents to be published

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

1. Improve innovative practices
2. Number of Alumni participants to be increased
3. More problems to be solved
4. More number of journals to be published
5. Seminars can be given
6. Additional programs to be given in lab sessions
7. Improve the numbers of FDPs attended by faculty
8. Industry collaborations shall be improved
9. Study materials to be given
10. Patent filing should be initiated

DEPARTMENT OF MECHATRONICS ENGINEEERING

1. Innovative practices has to improve
2. Previous year university questions to be given
3. Seminars can be given
4. Improve the numbers of Funded Projects submission by faculty
5. IPRs and Patents to be published
6. More number of consultancy projects to be done

DEPARTMENT OF MECHANICAL ENGINEERING

1. More problems to be solved
2. Provide case studies
3. Industrial Visits to be arranged
4. Models to be used for complex concepts
5. More projects on energy to be included
6. Seminar can be given

# DEPARTMENT OF SCIENCE AND HUMANITIES

1. Improve innovative practices.
2. Study materials to be given.
3. More problems to be solved for
4. analytical subjects
5. Innovative topics in Assignments.
6. Additional experiments to be given in lab sessions.
7. More number of journals to be published.
8. Encourage the faculty to attend FDPs .

DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

1. Study materials to be given
2. Additional programs to be given in lab sessions
3. Seminars can be given
4. Assignments missing in course file
5. IPRs and Patents to be published
6. Improve the consultancy projects
7. More number of journals to be published
8. Need Industry Visit

DEPARTMENT OF MASTER IN BUSINESS MANAGEMENT

1. Improve innovative practices
2. Study materials to be given
3. More problems to be solved
4. Assignments missing in course file
5. Seminars can be given
6. Additional programs to be given in lab sessions
7. More number of journals to be published
8. Number of Alumni participants to be increased
9. Improve the numbers of FDPs attended by faculty
10. IPRs and Patents to be published
11. Industry collaborations shall be improved

REPORT FOR ACADEMIC AUDIT

Academic Year: 2015-2016 - ODD SEMESTER

Date: 15.12.2015

The academic audit is carried out in all departments and the consolidate report is given below

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

1. Improve innovative practices
2. Study materials softcopy can be given
3. One topic missing in internet programming lab
4. More problems to be solved
5. Assignments missing in course file
6. Seminars can be given
7. Additional programs to be given in lab sessions

DEPARTMENT OF CIVIL ENGINEERING

1. Improve virtual lab session
2. More study materials and problems to be given
3. Improve Industrial oriented projects
4. Assignments can be given

DEPARTMENT OF INFORMATION TECHNOLOGY

1. More problems to be solved
2. Assignments missing in course file
3. Seminars can be given
4. Additional programs to be given in lab sessions

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

1. Solve more problems
2. Improve innovative practices
3. Give more assignment
4. Add seminar topics content

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

1. Improve innovative practices
2. Study materials to be given
3. More problems to be solved
4. Seminars can be given
5. Additional Experiments to be given in lab sessions

DEPARTMENT OF MECHATRONICS ENGINEEERING

1. Study materials to be given
2. More problems has to be solved
3. Video presentation can be given

DEPARTMENT OF MECHANICAL ENGINEERING

1. More problems to be solved
2. Provide case studies
3. Industrial Visits to be arranged
4. More assignments to be given
5. Models to be used for complex concepts
6. Seminar can be given

# DEPARTMENT OF SCIENCE AND HUMANITIES

1. Improve innovative practices.
2. Study materials to be given.
3. More problems to be solved for analytical subjects.
4. Innovative topics in Assignments.
5. Seminars can be given.
6. Additional programs & experiments can be shuffled for lab sessions.
7. Demo models & animated videos to be used.

DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

1. More problems to be solved
2. Additional programs to be given in lab sessions

DEPARTMENT OF MASTER IN BUSINESS MANAGEMENT

1. Improve innovative practices
2. Study materials to be given
3. More problems to be solved
4. Assignments missing in course file
5. Seminars can be given
6. Additional programs to be given in lab sessions
