Conducted by,

Salem and Dharmapuri Teams

Conducted on: 07.10.2020-Wednesday

Platform: Google meet.

INTRODUCTION:

The Daan Utsav event is celebrated across the India, as the *Joy of Giving*, on Oct 2nd to Oct 8th every year. Since this year due to the pandemic reason, all the teams in the TQI were insisted to conduct the Daan Utsav events only through the online mode and no field work should be done.

So, the Salem and Dharmapuri team were combined together to conduct the event on recognizing one of the budding NGO.

Figure 1 EVENT POSTER

Conduction of event:

The volunteers from both the team have worked together for this event. We invited **Ms. Lydia BSMS**, founder of Voice from Heart(VFH) foundation as the Chief Guest for our event.

Since VFH is a budding NGO, the main motto of this event is to recognize and highlight their works that they did and will going to do to our society.

About VFH:

The Voice from Heart foundation was started by Ms. Lydia, BSMS. She is a student, reporter on Vikaten, also motivational speaker.

The foundation was started on 15/6/2018, in order to motivate the students to develop their skills. Then it gradually reached to many students and made them follow them on social networks and to do an enormous service with them.

At this time, VFH has more than 250 volunteers with a better motive to promote innovative ideas and process it. They have done many social works from feed the poor on the roadsides, educating the students and also helped many people during the natural disasters like storms, etc.

They received the helping hand's team award 2019 and the Abdul Kalam award.

Pre-Plans:

The Salem team mentor took the initiative to speak with the Chief Guest and invite them to the event. Then two people from the Salem team and two people from Dharmapuri team were involved in addressing the chief guest, inviting them to the event, giving introduction about the TQI and finally for giving the conclusion.

About the Event:

The event was conducted on 07-10-2020 at 5:30PM via the Google Meet. The Chief Guest came on time and the event started around 5:40PM. The event was an open event i.e., anyone on or off the TQI can join the event. There were about **50** participants attended the event and it was prolonged up to 6:30PM.

At first, the everyone along with the chief guest were welcomed and then the introduction about the TQI was given. Next, the introduction about the VFH was given. The

chief guest gave a wonderful speech about their journey and also explained the struggles they faced and how they tackled them over the past two years.

Then we had the queries section, in which many participants were asked their queries and it was a one good conversation with the chief guest.

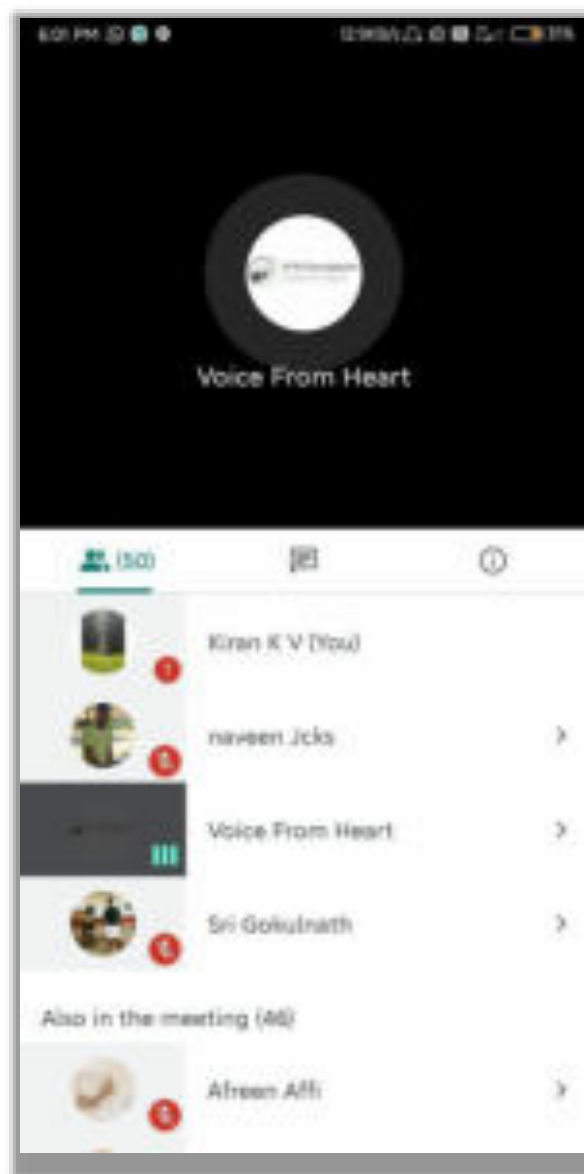

Figure 2 Screenshot in the middle of the event.

Conclusion:

The event was simple but as said in the beginning, the motto of this event is to recognize the budding NGO. The conversation between the participants and the chief guest was outstanding and the event will worth a lot due to that.
