

ACADEMIC YEAR 2015-2016

PAAVAI ENGINEERING COLLEGE, NAMAKKAL

(Autonomous)

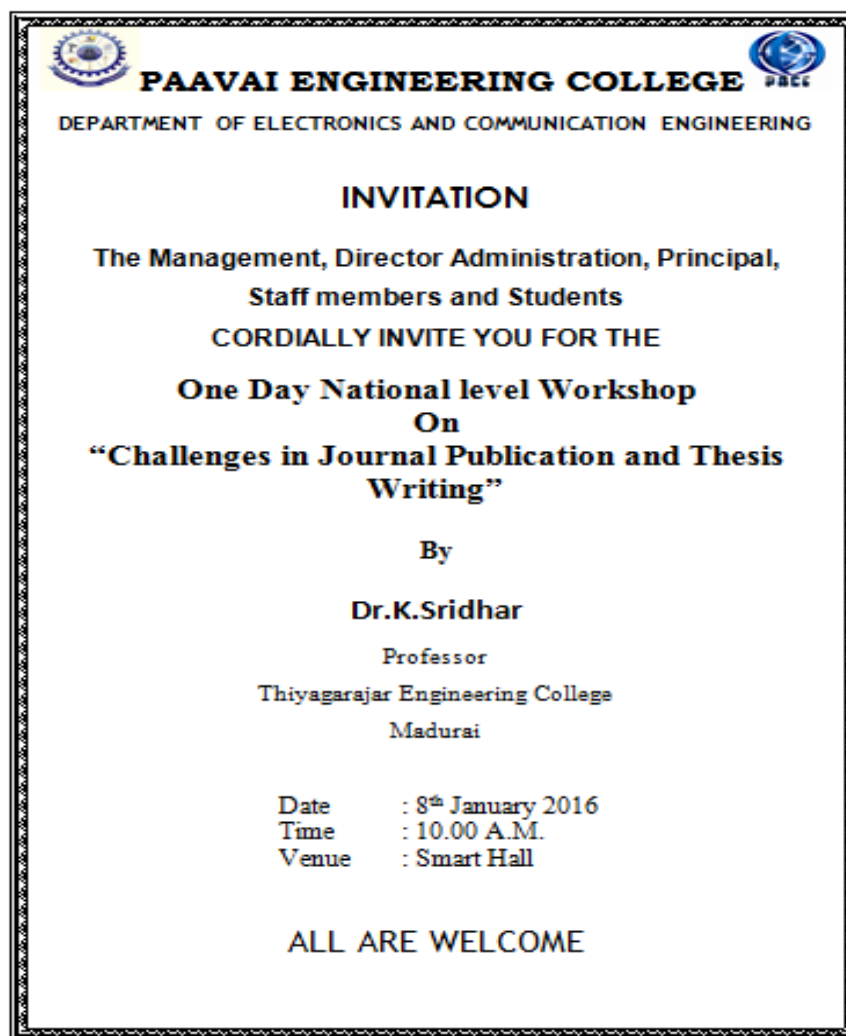

Department of Electronics and Communication Engineering

Academic year 2015-2016

TOPIC HANDLED : Challenges in Journal Publications and Thesis Writing

DATE : 08.01.2016

VENUE : Smart Hall

ORGANIZING COMMITTEE

CHIEF PATRONS

Shri. G. N. V. NATARAJAN,
Chairman, Paavai Institutions,
Namakkal.

Smt. MANGAI NATARAJAN,
Correspondent, Paavai Institutions,
Namakkal.

PATRON

Dr. K. K. RAMASAMY, M.A., Ph.D.,
Director Admin, Paavai Institutions,
Namakkal.

Mr. S. SRINIVASAN,
Director Operations, Paavai Institutions,
Namakkal.

Dr. M. PREMKUMAR, M.A., Ph.D.,
Principal, Paavai Engineering College,
Namakkal.

CONVENER

Dr. R. ARANGANESAMY, M.A., Ph.D.,
HoD, ECE, Paavai Engineering College,
Mobile : +91965543155
E-Mail: pececehod@paavai.edu.in

CO-ORDINATORS

Mr. A. SAMUNDGESWARAN, asst. prof
Mr. D. THARINI, asst. prof

ADDRESS FOR COMMUNICATION

The Convener
Department of
Electronics and Communication Engineering,
Paavai Engineering College,
NH-7, Pachai, Namakkal - 637 016.
Mobile : +91 96555 43155

Eligibility

All the faculty members, UG and PG students
from Engineering colleges and Arts and Science
colleges.

Registration Details

The selected participants are requested to
duly fill in the registration form and send to the
Convener through post or e-mail.

Email id: pececehod@paavai.edu.in

Registration fee* : Rs. 500/-

Last date of registration : 05.01.2018

Intimation of selection : 08.01.2018

*The payment can be made in person.

For further details visit : www.pec.paavai.edu.in

ABOUT THE INSTITUTION

Rajkumar Engineering College was started in the year 2000 and promoted by Rajkumar Educational Trust with the basic principle of providing purposeful, goal oriented technical education and establishing a center of excellence in Engineering & Technology. The college is approved by AICTE, New Delhi, accredited by NBA & NAAC with 'A' grade and an Autonomous institution affiliated to Anna University Chennai. It has completed 14 years of dedicated and excellent service in the field of technical education. The college has the vision to strive to be a globally model institution all set for taking 'lead role' in grooming the younger generation socially responsible and professionally competent to face the challenges ahead. It has obtained research grants from AICTE, DRDO, CSIR, TNSCST and other funding agencies. The college attracts outstanding students by virtue of its discipline, modern infrastructure, library and faculty.

ABOUT THE DEPARTMENT

The department of Electronics and Communication Engineering offering B.E (ECE), M.E (Applied Electronics), M.E (VLSI Design) and M.E (Communication System). The department is enriched with latest lab equipment and promotes R&D activities in related areas in collaboration with industries, wherever possible. The department has R&D and VLSI lab with state of the art technology. The faculty members are well experienced and dedicated towards the upliftment of the student community. The students are exposed to the practical and industrial aspects of the subjects through laboratory work and periodic industrial visits.

LOCATION OF THE INSTITUTION

ABOUT THE WORKSHOP

The emphasis of this workshop is on journal publications and thesis writing activity. It is crucial that any paper before you submit or be read by someone else, should be checked with respect to types, grammatical errors, style and so on. During the workshop we shall discuss the different types of writing that may typically be undertaken during doctoral research. It shall further analyse the strategies for getting started and the crucial importance of defining research problems/hypotheses even before starting to write the thesis and discuss importance of research and development in India which is the need of the hour.

TOPICS TO BE COVERED

- How to start research work?
- Types of research.
- Structure of research paper.
- Analyzed empirical results.
- Limitations.
- Referencing format.
- Scope for future work.
- Types of journal.
- Overcoming the hurdles in thesis writing.

RESOURCE PERSON

Dr. K. Srinivasan, M.E., Ph.D., IIT MB, IAS (JAMU Australia)
Professor,

TOPIC HANDLED : Challenges in Journal Publications and Thesis Writing

DATE : 08.01.2016

VENUE : Smart Hal

The Department of ECE conducted a workshop on “Challenges in Journals Publication and Thesis Writing” at Smart Hall on 08.01.2016. Dr.K.Sridhar, Professor, Thiagarajar Engineering College, Madurai was the resource person. This workshop focuses on understanding the

characteristics of a strong thesis and how to write one, as well as the conventions of academic argument more broadly. Using a sample prompt, participants will begin drafting their own thesis statements. This thesis writing workshops provides practical and conceptual information on how academic writing works, and encourages you to put the techniques to use in your thesis, proposals and journal articles. Whatever your current stage of writing, there are benefits for anyone who wishes to attend. The event was concluded with a Vote of Thanks by Mrs.A.Samundeeswari, Associate Professor, ECE.

**(Autonomous)
DEPARTMENT OF EEE**

FACULTY DEVELOPMENT PROGRAMME (FDP) ON “ELECTRICAL MACHINES”

A two day Faculty Development Programme (FDP) on “Electrical Machines” was conducted by Department of EEE from 07/09/2015 and 08/09/2015 at Paavai Engineering College. Dr.G.Balaji, Head of the Department and K.K.Poongodi of EEE of Paavai Engineering College were the resource persons. There were totally 11 teachers from Paavai Institutions who attended the programme. This FDP helped the faculties to understand Electrical Machines such as Motor, Generator and Transformer are tested to calculate the performance of the machine and to have the information about carrying out phasing test and moisture proofness test on different kind of machines.

All the sessions helped the faculties in improving their skill in troubleshooting of electrical machines. Also they Introducing the concepts of Special Electric Machines, Constant switching frequency torque and flux controllers for Direct torque control, Instantaneous torque control for BLDC.

“FDP on C# Fundamentals 04.12.2015

A one day FDP on “C # Fundamentals “was organized by the Department of Computer Science and Engineering, MCA, Information and Technology. Mr.N.Mahendiran, Associate Professor, Department of Computer Science and Engineering, was the resource person of the FDP. Faculties belonging to the department of CSE attended this FDP session. Hands-on-training was given to the participants along with the concept presentation by resource people. The topics covered during the FDP session are mentioned below, C programming and C# difference ,run time environment ,datatypes ,variables ,constants ,loops, arrays, strings, structures, classes, inheritance, operator overloading in C #. After the completion of the lecture on these above mentioned topics, assignment was given by the resource person on simple programs. Doubts were asked and cleared whereas example programs were executed for each of the topic mentioned above. After the completion of the session, valedictory program was held in presence of Dr.A.Suphalakshmi, HOD/CSE-PEC who motivated all the staff members to utilize the knowledge gained for effective teaching learning experience.

DEPARTMENT OF INFORMATION TECHNOLOGY

Wipro Mission 10X Academic Leadership Workshop held from 15.12.15 to 18.12.15 for Department Heads of Engineering Colleges of Paavai Institutions. Mr.PB.Kotur, Head Wipro Mission 10X and Prof.Satheeshkumar, Wipro Mission 10X, Wipro Ltd, Bangalore were the chief Guest of the Worskshop.

Academic Leadership of the workshop was mainly based on

1. The **leadership** that is provided by senior **academic** and administrative leaders with the particular focus on creating conducive environment for personal academy growth and institution development within the institutions of higher learning.

2. **Academic leadership** is the name given to **leadership** in an **academic** setting or organization as a special subdivision of overall **leadership**. **Academic leadership** is a **leadership** that includes such roles as creating vision and mission based on science and research data for the organization, setting up creative ideas, doing and providing teamwork.
3. **Academic leadership** is a broad capability and function across a higher education institution, reflected in **leadership** in governance, both corporate and **academic**, and in operations

FACULTY DEVELOPMENT PROGRAMME
On
Integration and Disintegration of Two wheelers
(09.01.2016)

An one day Faculty professional development programme was organized on the subject “Integration and Disintegration of Two wheelers” for Mechanical Engineering faculty of Paavai Engineering College on 09.01.2016 by the Head of the department of Automobile Engineering, Paavai College of Engineering.

There were two session, which covers theory and practical sessions. On the first session ‘basics components’ of the two wheelers were taught and demonstrations were done by the resource person. In the after session, assembling and dismantling of various components of the two wheelers and their problem rectification were taught. The session went well with nice interaction between the faculty members who have attended the programme and the resource person.

FDP on Siemens Centre of Excellence in Manufacturing tool

A faculty development programme on “Siemens centre of excellence in manufacturing” was held at Paavai Engineering College, on 20.02.2016. The FDP aims to provide opportunities to faculty members to enrich their teaching skill. Powerful technologies—including **quantum computing, Artificial Intelligence, Industry 4.0, IoT, Robotics, and Additive Manufacturing**—are ushering in new and competitive risks and opportunities, and businesses often struggle to keep up with them. It becomes inevitable for the Industries to adopt these technologies to be competitive in the market and sustainable. At the same time it is essential for the educational institutions to adopt or include these technologies in the curriculum or teaching, which enables students to be industry ready.

Siemens PLM Software partners with academic institutions to address workforce and education gaps. The Academic Partnership Program provides software and support to schools to improve their ability to develop top-notch engineers and technologists for the PLM industry. CoreEL technologies in association with SIEMENS PLM , introduce 2 major Skill development programs to address the skill gap and make students industry ready.

DEPARTMENT OF MECHATRONICS
TWO DAYS NATIONAL LEVEL WORKSHOP
ADVANCED IC ENGINES & HANDS ON SURGERY OF AN IC ENGINE**

A two - day national level workshop on “ADVANCED IC ENGINES & HANDS ON SURGERY OF AN IC ENGINE “was organized on 16th and 17th March 19, 2016 at Kalam Chamber by the Department of Mechatronics Engineering, Paavai Engineering College, Namakkal.

Dr.K.K.Ramasamy, Director-Administration, Paavai Institutions, presided over the inaugural function. Mr. V.K.Gobinath, Assistant Professor Mechatronics Engineering, welcomed the gathering. Mr. Ganesan, Professor (Rtd),Department of Mechanical Engineering, IIT Madras, was the Chief Guest. Dr.M.Premkumar, Principal and Mr.D.R.P.Rajarathnam, Head of the Mechatronics Engineering Department, graced the occasion.

Dr.K.K.Ramasamy, in his presidential address, explained about the concept of IC engines and how the automakers are modernizing the I.C engines and vehicles to be more economical, environmental friendly and safer considering the gasoline shortage, the proposed emission norms and safety standards. He also explained the advanced propulsion technology strategy and battery technology improvements in the automotive technology and also pointed out the various job opportunities in the automotive sectors in the upcoming future.

The Chief Guest, Dr.V. Ganesan stressed the need of the automobile and how its population grows from early stages. He also highlighted the latest developments in I.C engines and its working principles. He further explained the various ranges of fuels such as biofuels, new fossil fuel feedstock and processing methods and how variations in fuel standards will influence all combustion technologies used now and in coming streams.

A good number of students and faculty members from various departments participated and are benefited by the hands on demo and training about how to assemble and dismantle the I.C engines by service experts. In the end, Mr.S.Mohankumar, Assistant Professor Mechatronics proposed the vote of thanks.

Two Weeks ISTE Workshop on Structural Engineering

Indian Institute of Technology (IIT) Kharagpur conducted two-week **ISTE STTP** workshop on “*Introduction to Structural Engineering*” under **National Mission on Education through ICT (MHRD)** organized at **Paavai Engineering College Namakkal** from **4th - 9th January 2016**. Before the physical participation at the remote center **IIT Kharagpur** organized online activities from **30th November 2015** to **3rd January 2016**. The objective of the workshop was to make the learners acquainted with the concept of designing structural elements using concrete and steel.

The keynote speakers in the workshop were **Prof .O.P.Sha, Prof S. K Bhattacharyya, Prof. Baidurya Bhattacharya and Prof. Sushanta Chakraborty** of Civil Department from **IIT Kharagpur**. **Workshop Coordinator Mr.K.Elaiyaraj, Asst. Prof, Paavai Engineering College**

In the Inaugural Session **Prof. S.K Bhattacharyya** welcomed all distinguished speakers and thanked the participants and remote center coordinator for making the **NMEICT** mission a grand success.

Two Weeks ISTE Workshop on Environmental Studies

A two weeks **ISTE** workshop on **Environmental Studies** was organized at **Paavai Engineering College** from **2nd to 12th June, 2015** under the **National Mission on Education through ICT (MHRD, Govt. of India)**. This workshop was conducted by **IIT Bombay** through online video conferencing. **Prof. Deepak.B. Phatak, Dr. Mukta Atrey & Prof. Virender Sethi** was the convener of the program. This workshop was coordinated by **Mr. P. Kalimuthu AP/Civil, Paavai Engineering College**

Prof. Ranjan Panda's topic of discussion was on "Environmental Ethics". He discussed about

1. Responsibilities of people in maintaining the ecosystems so that sustainable resource can be yielded for a long time.
2. Environmental ethics
3. Various Human-Wildlife Conflicts

Prof. K. Narayanan's topic was on **environmental economics** in which he discussed various Political Economy Research Center and Laws.

Prof. Shyam Asolekar discussed on the topic "**Law and Policy**".

The participants learned a lot from the workshop and in the feedback session they enthusiastically gave their positive opinions.

ISTE STTP Workshop for Faculty Members On 'Technical Communication'

The 'Train 1000 Teachers' programme was initiated by IIT Bombay in 2009, under the project 'Empowerment of Students/Teachers,' sponsored by the National Mission on Education through ICT (MHRD, Government of India). The main focus of this programme is to work with Engineering Colleges in the country to enhance the teaching skills of faculty in core Engineering and Science subjects. In 2013, this programme was scaled further, to train up to 10,000 teachers at a time, using 385 established Remote Centers across India. Each Remote Center hosts the main two-week ISTE workshop with partial funding from IIT Bombay. The two-week ISTE workshop on Technical Communication is attended by interested participants of the nearby colleges. Our College was one of the Remote Centers and Dr. R. Shanthi had acted as the host. Certificate were issued based on candidates' performance.

DEPARTMENT OF PHYSICS

Short Term Training Programme on “Engineering Physics”

A Two Week Short Term Training Programme (STTP) on “Engineering Physics” in association with ISTE on 08.12.2015 – 18.12.2015 at Cute Hall was conducted by department of Physics, Paavai Engineering College on 28.03.2019 at Cute Hall. Dr.A.Chandramouleeswaran, Head of the Department of Physics, Paavai Engineering College was the resource person. On the whole, this STTP programme was beneficial to all the faculty members of Physics belong to Paavai Institutions. Dr.K.Selvi, Dean Academics, welcomes the gathering and suggested the faculty members to make use of the opportunity to develop their knowledge in new topics.

The STTP will provide a platform for faculty members to enrich their teaching skills and research in the Field of Engineering Materials & Nanotechnologies. This STTP will enable faculty members to discuss and share their ideas with distinguished scientists and academicians of our country. The Two week FDP will provide a better insight into the recent trends in the field of Nanomaterials, Composites, Polymer Electrolytes, Thin film Technology, Energy Devices and Nano-biotechnology. Mrs. C. Barathi, AP/Physics proposed the vote of thanks.

1. A FIVE DAY ORIENTATION PROGRAMME FOR THE RECENTLY RECRUITED
FACULTY

PAAVAI INSTITUTIONS

Pachal, Namakkal.

INVITATION

The Management, Director Administration, Director Placement,
Principal, Deans, CoE, HoDs, Faculty members and Students

Cordially invite you for the

A FiveDay

**“Orientation Programme for the Recently Recruited
Faculty (RRFOP)”**

From

15.06.2016 TO 19.06.2016

Chief Guests:	
Shri.CA.N.V.Natarajan Chairman, PaavaiInstitutions	Smt.MangaiNatarajan Correspondent, PaavaiInstitutions

Date :15.06.2016

Time : 10 a.m.

Venue :Smart Hall

ALL ARE WELCOME

**A REPORT ON THE ORIENTATION PROGRAMME CONDUCTED FOR THE
RECENTLY RECRUITED STAFF MEMBERS OF PAAVAI INSTITUTIONS (DURING
THE ACADEMIC YEAR 2015-16)**

Excellence in any art is won by training and habituation. Hence, the Paavai Faculty development department believes in offering continuous training programmes to staff members (recently recruited and existing) in fostering domain knowledge, strengthening communicative competence, adopting various effective and innovative pedagogical skills with an emphasis on institutional values and Paavai culture.

An Orientation programme for the recently recruited staff members of Paavai institutions commenced during the academic year 2015-16 in the following manner. In order to give individual attention and intensification, the members were divided into small batches, each consisting of 30-36. The first batch of Arts and Science & polytechnic had their training from 15.06.16 to 16.06.16, the second batch of Engineering faculty from PEC and the concurrent batch of faculty from PCE & PCT held from 17.06.16 to 18.06.16.

The orientation programme was inaugurated by Shri.CA.N.V.Natarajan, Chairman, Paavai Institutions. In his inaugural address, he elaborated about the 'Making of Paavai' and he further stressed effective leadership and its styles. In the afternoon session, correspondent madam spoke about the civic behavior and social responsibility of an individual. Prof.Chenniappan, Dean English, Prof.A.S.Kandasamy, ECE, PEC, Dr.Selvi, Dean Academics, Dr.KasthuriBai, Dean Faculty Development, Dr.Devi, Principal, PCE, Mr.S.Srinivasan, Placement & Training, Dr.A.Suphalakshmi, HoD, CSE, Dr.R.Rajeshwari, Principal, PASW, Mrs.Jayalakshmi, Dean Counselling AND Mrs.Subashini, Faculty development department were the resource persons for the recently recruited faculty of Arts and

science & polytechnic college . The topics such as Communication, Pedagogy, Teaching science subjects, Institutional belongingness, Role of teachers in Placement and training, Smart teaching, Fulfilling works' place expectation and Teachers as second parents were dealt upon. The participant teachers took classes in their respective subjects and corrections were given for further improvement. Then the video graphing of the classes of participant teachers were taken and it was shown to them for the correction.

Prof.Chenniappan, Dean English, Prof.A.S.Kandasamy, ECE, PEC, Dr.Selvi, Dean Academics, Dr.KasthuriBai, Dean Faculty Development, Dr.Devi, Principal, PCE, Prof. Jagannathan, Dean Agriculture, PEC, Mrs.Jayalakshmi, Dean Counselling, Mr.S.Srinivasan, Placement & Training, Dr.A.Suphalakshmi, HoD, CSE , Dr.Arangasamy, ECE, HoD, PEC, Mrs.Subashini, Faculty development department and Dr.Murali Babu, COE, PEC were the resource persons for the recently recruited faculty of Engineering colleges throwing light on Paavai culture, Student -Staff-Superior relationship, Accountability to the institution, innovative pedagogical strategies, language competence, Communication, Pedagogy, Teaching science subjects, Institutional belongingness, Role of teachers in Placement and training, Smart teaching, Fulfilling works' place expectation and Teachers are second parents and presentation skills and professional ethics.

The highlight of the training was the introduction of Micro teaching according to which, each faculty was asked to make a mini presentation on a topic of his/her own interest specializing in the skills of introduction ,explanation, interaction, interrogation, demonstration, board management, verbal and non-verbal communication, project preparation, summing up etc. The faculty members were observed and suggestions were offered to them, then and there, by the subject experts. The performance was also video-graphed and monitored by Dr.R.Kasthuri Bai, Dean, Faculty Development and Mrs. Subhashini.K , Associate professor, Faculty development department, PEC. SWOT analysis was done to increase the awareness of the faculty to convert their weakness into strengths and threats into opportunities. It was found out that there was a marked change in the performance of the trainees from their initial efforts to their final presentation in various parameters of effective teaching. Since training is a continuous self-promoting venture, the Academy has decided to enter into a second round of professional enrichment for the faculty to keep abreast with innovative practices and quality teaching to have a holistic impact upon the stakeholders.

The valedictory and feedback session was held on 18.6.16 for Arts and science, Polytechnic and Engineering colleges. The feedback was given by all faculty representing each college. It was followed by the Valedictory address by the chairman, sir. In his Valedictory address, he stressed the importance of empowerment and accountability of the faculty to the institution. The correspondent madam felicitated the gathering. It was followed by oath taking by the deans, HoDs & principals. Then the oath taking by the recently recruited faculty also took place. The vote of thanks was delivered by Mrs.K.Kokila, AP, PEC.

PAAVAI INSTITUTIONS PACHAL, NAMAKKAL

INVITATIONS

The Management, Director Administration, Director Admissions, The Principal, Deans, The CoE, HoD's, The Faculty Members and Students Are
Cordially invites you for the

"FACULTY REVALIDATION PROGRAMME (FRP) -2015-2016"

CHIEF GUESTS:	
Shri CA.N.V. Natarajan Chairman Paavai Institutions	Smt. Mangai Natarajan Correspondent, Paavai Institutions

Date: 23-11-2015 to 28-11-2015

Venue: Smart Hall

Time: 10.00 am

ALL ARE WELCOME

REPORT FACULTY REVALIDATION PROGRAMME (FRP)

The inauguration of Faculty Revalidation Programme(FRP) for the academic year 2015-16 for the faculty members of Paavai Engineering College, Paavai College of Engineering and Paavai College of Technology was held in the Smart Hall at 02.00 p.m. on 23.11.2015. The programme started with the prayer song. Smt.Mangai Natarajan, Correspondent, Paavai Institutions, inaugurated the event by lighting the kuthuvilakku and delivered the felicitation address. The chairman, delivered the inaugural address, he insisted that this FRP is a healthy exercise for the faculty members to enrich, develop, update, their professional skills in teaching and learning process. He further highlighted that this forum provides an opportunity for the faculty members to exhibit their contextual knowledge and the teaching skills for the betterment of themselves and to the students' community at large. He concluded that the teachers should make use of this platform at a proper sense with right attitude and excel in their life. Smt.Mangai Natarajan, Correspondent, Paavai Institutions, felicitate the gathering. She explained Paavai philosophy and principles with the slogan, 'Healthy Paavai, Wealthy Paavai and Powerful Paavai'. She made all the faculty members recite the slogan.

She said that FRP is not a delivery forum but a discussion forum and the presenters should have the thirst to learn and update their knowledge and skill from the seniors and experts on the panel. At last, she concluded by saying that Faculty Revalidation Programme is not a fault finding process but it is a fact finding process and the members should use this feedback channel in the right sense of the word. With this the inauguration came to an end. Dr.R.Kasthuri Bai, Dean Faculty Development Department, welcomed the gathering. 59 faculty members participated in the inauguration. The Deans, Principals, HoDs and senior faculty members graced the occasion. The FRP session went on for a month, wherein Faculty members from PEC, PCE, PCT,PPC and PASCW presented their topics. Totally around 59 faculty members presented their topics in front of the panel. With this FRP came to an end.

Dear Principal, Dr M.Premkumar of Paavai Engineering College (PECTN),

The D2S program of QEEE (Quality Enhancement in Engineering Education) strives to raise the bar of engineering education pan India through its intervention in Tier 2 and Tier 3 colleges. The program ran its pilot in 2014 and has ever since progressed. Based on the recent semester, Jan-April 2016, an analysis was done on the performance of participating colleges, where attendance and participation against registration were monitored and evaluated. The colleges were grouped into 5 categories:

- **Partners-** those who have shown total commitment towards the program and have attended almost all of the classes as against registrations
- **Committed-** in this category we have colleges that have realized the importance of the program and attended maximum classes but fall short of a certain number of sessions
- **Non-Committed-** though buy in is achieved with this category of colleges we would like to see more involvement as they have the potential to rise to the next category
- **Doubtful-** registrations happen from these colleges but actual turnout in live sessions is minimal
- **Non-Starters-** though interested, and some attend classes through DTH, the basic infrastructure is yet to be procured and the management has to be motivated to contribute towards the initiation of the program

Through the course of the program we observed that your college has attended most of the classes for the topics that were registered for and have interacted well with good audio video settings with the IIT faculty.

Congratulations! We are happy to announce that your college falls in the category of "**Partner**" colleges, implying that you were amongst the best colleges to have leveraged the QEEE program for the benefit of your students. This shows your commitment towards quality.

We thank your college for the inevitable role in the QEEE program across semesters and appreciate your commitment and drive to welcome and implement changes. We are happy that you share the same wave length as ours to make India "the" destination for undergraduate education. We hope that together we go a long way and be the change that we want to see.

We welcome suggestions for the way ahead and look forward to your continued association in the forthcoming semesters

Regards
Prof. Ashok Jhunjhunwala
IIT Madras
