To

**The HOD/CIVIL
PAAVAI ENGINEERING COLLEGE,
NAMAKKAL,**

Sub : Free Visit to Radio Astronomy Centre – Permission granted

Ref : Your Letter Ref-No. -- Email dt. 12-08-2015

Dear Sir/Madam,

With reference to your above letter, we are pleased to accord our permission for visiting this Centre, as detailed below.

No. of Persons Visiting : 50 Students + staffs

Date & Time of Visit : 27th August 2015 Time: 10:00 hrs to 16:00 hrs

Please see the information below :

(1) The Radio Astronomy Centre (RAC) is purely a research organization engaged in research & training Ph.D students in the field of Radio Astrophysics. It operates the Ooty Radio Telescope (ORT), which is an equatorially mounted cylindrical paraboloid of size 530 m long and 30 m wide. The visiting students will be shown a video show on the radio telescope and basics of radio astronomy. They can also visit the telescope site and watch the rotation of the telescope. If you are bringing students for any industrial visit, you may please note that RAC is not a factory. No transport or accommodation will be provided by this centre for the above visit. This visit is offered absolutely **FREE of Cost.**

(2) Saturdays and Sundays are holidays for the centre & hence if you plan to visit this centre on Saturdays, Sundays and Govt. holidays, you will be able to watch only the video show.

(3) To reach the Centre, you have to follow Melcowhatty village route via Ooty Bus Stand – Boat House – J.S.S. Public School – Theetukkal and bring your vehicle up to our premises in order to avoid 2 km walk. Each visitor should have a valid Identity card issued by the College/Organization authorities. You are required to maintain strict silence and discipline in the campus.

With regards,

D. Ravikumar SO (D)

PANTECH

In 1998 with an objective of offering advanced technological solutions in the fields of Information Technology (IT) and Information Technology Enabled services (ITES). In July 2006, PANTECH became the first Private-Sector IT Park in Kerala. With the State-of-the-Art building of 55,000 sq. ft., sophisticated technical infrastructure and more than 400 professionals, PANTECH is now the front-line service provider in IT infrastructure services industry, catering to both domestic and international clients.

There are a host of services PANTECH offer including Software Development, Web Designing/Development, Domain Registration, Web Hosting, Server Administration(Windows/Linux), Voice Technical Support, Remote Server Administration, Server Co-location, Search Engine Optimization, Medical Transcription and E-Commerce solutions. Being a steadfastly growing organization, PANTECH is also creating employment potential in different spheres for a large pool of educated youth; both freshers and experienced professionals in the state of Kerala.

At PANTECH, we are striving to understand the changing customer needs and stay in-line with the increasing demands of the industry. By constantly upgrading the quality of our processes, we simply customize the technology readily usable to the clients. PANTECH is proud of our solid team of Information Systems professionals, including those trained abroad, who study, design, develop, enhance, customize, implement, maintain and support various aspects of IT products and services. For all the overseas business ventures, especially the North American clients, we work in close association with our business partner, M/S PANTECH Software Solutions Inc., New York, USA.

Mission

We are committed towards providing ever-increasing level of customer satisfaction by offering the highest quality in; Software and Web development, IT enabled services, HBPO services, E-Commerce solutions, Search Engine Optimization and Web Application services.

Vision

Being a global brand, to make a difference in client perception about service quality.

Being a great place to work where people are inspired by the best they can avail.

Bringing forth to the new world of IT & IT-Enabled Services.

Maintaining a great work culture of mutual respect and team rapport for maximized productivity and quality.

Being in the Information Technology industry for more than a decade and a half, PANTECH can now provide reliable, top-notch solutions within the shortest possible turn-around time. Apart from our technological supremacy, the thrive to succeed and the service of our dedicated experts have made PANTECH climb the ladder of success and earn laurels in such a short span of time.

PANTECH is continuing its voyage of success....

Come..... Join us, and be a part of this winning journey....

© 2012 PANTECH So
Software Development

PANTECHSofttech Solutions Pvt. Ltd is a leading software company in India and located in Kochi, Kerala. Here we are striving to understand changing customer needs. We want to make our customers' lives easier by simply making technology usable. We are proud to have solid Information Systems Professionals, who with the help of world class tools and equipment, study, design, develop, enhance, customize, implement, maintain and support various aspects of Information Technology.

PANTECHSofttech Solutions Pvt. Ltd is committed to provide ever increasing levels of customer satisfaction by offering the highest quality in software development, e-commerce solutions, web site design and development, and other IT enabled services. We have expert and experienced programmers in PERL, PHP and JAVA. You can rely on our Software Development methodologies. We have developed best healthcare applications and programs. We do have well capable web designers and developers for website design and web application development.

Our company handles everything from Perl web development to Perl Script development, Text mining, Payment gateway solutions, Fax service Integration and GUI development and much more. Our JAVA web application developers are using tools like ExtJS, JSP, CSS, AJAX, HTML, framework technologies like Spring, Hibernate etc...

Our tailor-made services are designed to complete software development projects in the shortest time, yet deliver work of the highest quality. Our applications and services offer unparalleled capability and flexibility. We have the expertise and experience to help you cut costs significantly without impacting product quality or delivery schedules. Our teams of experts have developed comprehensive and innovative solutions for a wide variety of businesses. While we develop software, our focus is on the customer's needs.

Software testing is an important part of the entire software development. Software testing ensures quality, correctness and completeness of the product. The different methodologies we use during testing include White box testing, Black box testing, Unit Testing, Usability Testing, Agile model. Our software testing and QA outsourcing services ensure considerable savings on time, developmental

cost and operational expenses for our customers. We provide you with a mixture of experience and expertise test services.fttech Solutions Pvt. Lt

Website Designing

Web design is the skill of creating presentations of content that are delivered to an end-user through the World Wide Web, using a web browser or other web-enabled software. Usually hypertext or hypermedia content is presented. It involves integrating your marketing plan and using good SEO techniques. Use of HTML designs for page layout control purposes qualitatively with productive designing.

The dedicated professionals of PANTECH delivers a custom built web design which meets the requirement of the client. Knowledge of HTML, Adobe Products, JavaScript, PHP, CSS is the important part of the web designing. Since our team is expert in these, we output a user friendly and attractively designed websites which depicts message it wants to give to the viewers. Static designing,customdesigning,dynamicdesigning,flashdesigning,website re-designing etc. will be provided according to the requirement of the customer. Mind blowing output is resulted when creativity meets professionalism.

Up-to-date study of the market, competitors and their strategy.

Study and analysis of user experience and thoughts, technical enhancement and search engine optimization.

Not reflect only in words, these are achieved by the accurate blending of creativity, knowledge and experience .

Permission for IV

surendhar rao 07/08/15

The Alpine Communications Pvt Ltd

Dear Sir,

As you may be aware, PAAVAI ENGINEERING COLLEGE is one of the most reputed Engineering Institutions in Tamil Nadu and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in ECE, CSE, Aero, IT, Mech. The state-of-the-art facilities and competent faculty provide an excellent climate for the all round development of the students.

As a part of the curriculum, the students are required to undertake Industrial Visits to a few Industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the Industry in order to have a better appreciation of practical applications of theory.

In the above background, we would like to send a batch of about students of COMPUTER SCIENCE AND ENGINEERING branch of 3RD year accompanied by four staff members to visit your esteemed industry preferably on 07/08/2015 and 08/08/2015.

We request you, to kindly accord the necessary permission for the above visit and arrange for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful for a favorable response.

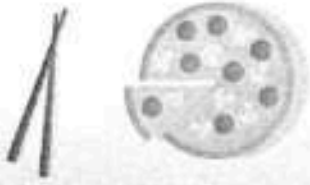

Thanking You,

Dear Sir,

Permission is hereby granted to visit our Shipyard on 29.08.2015. Please forward us the list of students including faculty members so as to enable us to arrange Entry Passes for them. We also require a formal letter from your Head of Department requesting us to permit the students to visit our Shipyard. The Entry Fee fixed is Rs.50/- per student which can be paid to our HR Department at the time of visit.

Best regards,
E.D. Xavier
