WORD BUILDING

Word Building is a fun and educational event for language learners who are at the beginners level. We conducted the activity to make students be interested in the future activity and also gain a lot of confidence in participating in further competition. The activity was held on 27.12.21 at around 3.15 pm and was such a hit among the students. From the students feedback at the spot it was evident as much as they enjoyed the learned new things that day.
