Dr. M. Premkumar, Principal of Paavai Engineering College, warmly welcomed the RAC members. He presented an overview of the institute's research achievements, talent development programs, incubation services, and internal revenue generation from the past year. The progress in the institute's research operations was also emphasized.

A detailed discussion ensued regarding the progress of each advisor's research within the institute's skill development, incubation, and consultancy projects. The group deliberated on ongoing work, offering substantial feedback and ideas for future endeavors.

**Recommendations from the RAC included:**

- Encouraging students to enhance their research participation through workshops and seminars in diverse domains.
- Promoting and fostering research and innovative projects.
- Providing support for students to engage in product-based projects.
- Instructing the filing of innovative project ideas for patent publication.
- Seeking proposals for seminars, workshops, and conferences from various funding agencies such as DRDO, TNSCST, CSIR, etc.
- Advising faculty to engage with international academics to enhance research and improve publication quality.
- Encouraging the submission of proposals for projects related to recent research domains.
- Instructing faculty members to assist students in publishing research articles,
- Emphasizing the need to improve the utilization of seed money.
