Dr. K. Sundara Murthy, Professor of Mechanical Engineering, welcomed the gathering to the meeting. The following points were discussed and resolved during the session:

- The Research Committee expressed appreciation for researchers who have effectively utilized funds from various government agencies and emphasized the importance of proper utilization. Additionally, there was an insistence on concentrating efforts on securing non-government funding.
- Faculty members were encouraged to apply for patents for their innovations.
- Motivation was provided for faculty members to engage in various consulting opportunities.
- Participation in conferences, seminars, workshops, and journals was promoted for both students and faculty members.
- Students' development of projects and products was highlighted, with encouragement to apply for funding from various communities.
- Faculty members were encouraged to utilize seed money.
