Dr. K. Sundara Murthy, Professor of Mechanical Engineering, extended a warm welcome to everyone attending the meeting. The following points were discussed and resolved during the session:

- The Research Committee commended researchers who had effectively utilized funds received from various government agencies and encouraged continued focus on non-government funding sources.
- Faculty members were urged to pursue patents for their inventions.
- Motivation was provided for faculty members to engage in diverse consulting opportunities.
- Participation in conferences, seminars, workshops, and journals was encouraged for both students and faculty members.
- The promotion of interdisciplinary research projects was emphasized.
- The Research Committee suggested converting student projects into tangible products.
- Faculty members utilized the seed money for various activities.
