Paavai Engineering College (Autonomous)

Namakkal

Dear Sir,

Reference : MoU with Paavai Engineering College on 13.02.2023

We are glad to inform you that, we are looking Forward for a collaborative work on Drone Technology with your Paavai Engineering College.

We are willing to allot a sanction a amount of Rupees **62000.00** for the consultancy project.

We need to work on the following area that is “Emergency Response Logistics Supply with Real Time Obstacles Avoidance Autonomous Drone”

The Detail will be shared once the we get a positive response from your side.

For further Communication feel free to contact our team.

Thank you,

2/1/2011

- NRSC will ensure the Radiosonde system supplied is technically suitable.
- Technical support for the Radiosonde operation and necessary approvals from ATC.
- Analysis of Radiosonde profile data to study boundary layer dynamics and satellite/model data validation

Second Party : Paavai Engineering college (PEC)

- Conduct the Radiosonde measurements regularly by coordinating with the nearest Air traffic control (ATC) centre, Airport.
- Transfer the collected data to NRSC through secured data transfer protocol
- Providing appropriate security to the Radiosonde system installed at their premises.
- Extend logistics to NRSC scientists during the maintenance, testing etc activities.
- Submit annual utilization certificate for funds provided by NRSC with justifications

12 Activity Schedule

The project is proposed for a time period of 5years. The tentative schedule is as follows:

13.1 First Year (0-12 Months)

- MOU Preparation and approvals with the host institutes
- Approvals from ATC, Installation of Radiosonde ground station, commencement of measurements and Capacity Building at the host institute.

13.2 Second Year (13 – 24 Months)

- Conducting Radiosonde measurements in regular intervals at the host institute/university

13.3. Third Year (25-36 Months)

- Regular Radiosonde measurements at the Network stations
- Data Base Building

• **13.4. Fourth Year (37-48 Months)**

- Regular Radiosonde measurements
- Data Base Building , Data preparation and Analysis
- Study of boundary layer dynamics and satellite/model data inter comparison at different network locations

13.5. Fifth Year (49-61 Months)

राजेशी

[Handwritten signature]

MOU between NRSC and PEC

- Data Base Building, Data preparation, and Analysis
- Radiosonde data hosting at NICES/NRSC sites.
- Project report preparation
- Project Extension and further planning
- Network Expansion and Involvement of other groups for further projects and studies

13 Consideration and Schedule of prices (per annum)

S.No	Activity	Cost (in Rs.)
1	The Radiosonde system and sensors will be provided by NRSC.	0
2	The collaborators fund towards purchase of consumables for the experiment (Helium gas, regulator, Balloons and other consumables for balloon ascents), professional services (maintenance and technical support), miscellaneous expenditure (travel etc.) of the installed Radiosonde system and institutional overheads(10%) per annum	6,00,000=00
3	Total cost (Rounded off)	6,00,000=00

Paavai engineering college will perform regular Radiosonde ascents and transfer the data to NRSC for operational and R&D activities.

14 Funding Terms and Conditions of Payment

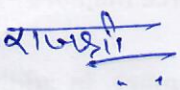

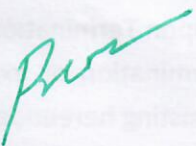

- I. The funds are being made available through National Information system for Climate and Environment Studies (NICES) program with NRSC.
- II. The collaborators fund towards the purchase of the consumables for the balloon ascents, maintenance and technical support of the installed Radiosonde ground station is estimated to be 6.0 lakh per annum. Funds to be made available for the host institutes on annual basis as per the allocation of the programme/project.
- III. Payment shall be made after the signing of MOU. The 50% shall be paid in the start of the financial year while the rest will be released after receiving the fund utilization certificate.

To

Dr.P. Muthusamy,
Professor & HOD-Cyber Security,
Paavai Engineering College, Pachal,
Namakkal 637 018.

Dear Sir,

Sub: Project Approval Letter-Reg.

We are pleased to inform you that we approve your proposal for the project **Mobile App Development for News Application** has been approved by the board. The project development cost you have quoted Rs. 19000 is accepted and the payment will be made as per your agreement.

We encourage you to go ahead with the idea on a small scale for now and come up with a prototype. We have approved the idea mainly because it shows your interest in the subject and ability to apply it in real life.

Thanks

Best Regards

14.09.2023

Letter of Honour

Dear Sir,

On behalf of SP Enviro Tech, we thank your dedicated team for their smooth transition into the industrial arena. They applied their knowledge in practical real-world circumstances, thereby accomplishing standards termed excellent in industries.

In this period, we noted that they possessed fine ability to work in a team. Apart from being cordial, they have good technical qualities in the process of working with their team involved. The work displayed by your team shows fine expertise in the synthesis and testing of eco-friendly adsorbents for wastewater treatment, addressing both material development and application challenges effectively.

We once again thank your esteemed institution and you for your technical and dynamic leadership qualities.

Yours sincerely,

SP Enviro Tech

Subject: Request for Consultancy for the Purchase of Dipbliss Tea

Dear Sir/Madam,

We, at Shri Krishna Pharmacy, is highly interested in the procurement of the dipbliss tea product produced by your institution. We feel that the product has been developed under the research and development activities of your institution and believes it to hold high value for our business and its customers.

We would be interested in buying 10 packs of the dipbliss tea every month for the next six months from November 2023 to April 2024, with each pack pricing at 500 which comes to a total of 5000 per month. So the total price for the next 6 month will be of ₹30,000 (Rupees Ten Thousand Only) under your consultancy services. Please do tell us the terms and conditions for the procurement process including any formalities required from our side.

We would appreciate confirmation that we will source the dipbliss tea for the six months from November 2023 to April 2024. We would need to have the terms applicable to the extended period of six months of purchase.

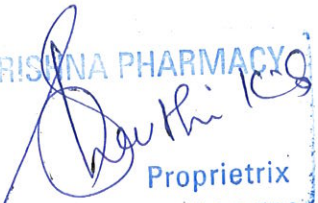

Please let us have the details of the product's specifications, including methods of payment.

We can assure you that we maintain a professional relationship and look forward to a tie-up with Paavai Engineering College.

Please provide us with an official invoice at the earliest convenience.

Thanks for your cooperation.

We await your prompt response.

Subject: Acknowledgment and Extension of Dipbliss Tea Purchase Agreement

We, at Shri Krishna Pharmacy, would like to extend our heartfelt thanks to your institution for providing the dipbliss tea under your consultancy services. We are pleased to inform you that we have successfully completed our purchase for the period of **November 2023 to April 2024**, with a total cost of **₹30,000** (Rupees Thirty Thousand Only). The product has been well-received and appreciated by our customers for its quality and efficacy.

Given the positive feedback and our continued interest in your product, we are pleased to extend our procurement agreement for an additional **six months, from May 2024 to October 2024**, for a similar total cost of **₹30,000** (Rupees Thirty Thousand Only). We kindly request your confirmation of this extension and any updated terms and conditions that may apply.

We greatly value the professionalism and support extended by your team throughout our collaboration. Your innovative approach and commitment to excellence have been instrumental in ensuring a smooth partnership.

As we move forward, we are also open to discussing potential projects or new product developments that could further enhance our association.

Once again, thank you for your support and collaboration. We look forward to continuing our successful partnership with Paavai Engineering College.
