GREEN CAMPUS POLICY

OBJECTIVES

- To maintain and sustain the environment in an eco-friendly manner.
- To reduce various types of pollution.
- To reduce, reuse, recycle of waster products.

GREEN INITIATIVES

- Restrict the entry of automobiles in the campus.
- Encourage the practice of riding bicycles and thereby creating an interest on physical fitness.
- Motivate the design & development of battery operated vehicles and solar vehicles.
- Encourage walking in and around the campus.
- Tree planting is carried out regularly.
- Smoking is strictly prohibited inside the campus.
- The Campus is free from Plastic.
- Paperless communication (e-mail / Whats App communication) is encouraged to a greater extent.
- Usage of one-sided paper is encouraged.

POLICY SCOPE

The policy is applicable for all the teaching staff, non- teaching staff, administrative staff, security personnel, ministerial staff, students, parents/guardians.

PROCEDURES

- To communicate the necessity of policy and action plan to staffs and students.
- To educate the students on the ill effects of air pollution.
- To instruct the staff and students to use the pedestrian path.
- To encourage students to use bicycles in the campus to keep them physically fit.
- To instruct the security to restrict the entry of automobiles beyond the parking lot to prevent vehicle transit in the campus there by minimizing the air and sound pollution.

- To instruct the security to restrict the entry of automobiles beyond the parking lot to prevent vehicle transit in the campus there by minimizing the air and sound pollution.
- To maintain a predominantly green natural landscape, with foliage inside the campus.
- To monitor the gardener's duty such as greenscape, watering and feeding plants, trimming trees and shrubs, fertilizing and mowing lawns, weeding gardens and keeping green spaces and walkways clear of debris and litter.
- To manage solid and liquid waste.
- To recycle and reuse waste water.
- To adopt Rain water harvest technique to recharge bore well and underground surface water level.
- To conserve water and energy.
- To carry out an audit through an internal agency.
- To implement the recommendations.
